London, UK

SUMMARY

CTO and hands-on engineering leader with 12+ years building and scaling AI products, data platforms, and teams. Built an LLM platform that accelerated enterprise integrations 7x and drove experiments that moved SOAX from 15th to 3rd in an industry benchmark.

EXPERIENCE

Aspect Health Inc. — women's metabolic health startup, a16z & Sequoia backed New York, US
CTO Jul 2025 - Present

- Launched a B2C AI Shopping Assistant integrated with Instacart across iOS, Android, and Web in 3 weeks.
- Standardized Sentry across engineering after uncovering that 30% of production errors were untracked, closing a company-wide observability gap.
- Established a new Barcelona office and built an on-site team of engineers, analysts, and QA specialists.

Improvado — enterprise marketing data platform San Francisco, US
Director of R&D Jul 2024 - Jul 2025

- Led website positioning experiments that increased conversion 1.6x and generated \$1M+ in sales pipeline.
- Pioneered LLM integration platform, accelerated the addition of new data sources by 7 times.

SOAX — data aggregation platform London, UK
Head of AI Jun 2023 - Jul 2024

- Led development of an AI platform generating thousands of custom web scrapers on demand daily.
- Led AI, Technical Support, and Core Product teams to automate resolution of 80% of support tickets.

SOAX — data aggregation platform London, UK
Lead Data Engineer Oct 2021 - Jun 2023

- Led dozens of proxy performance experiments in one quarter, delivering three improvements that moved SOAX from 15th to 3rd in an industry benchmark.
- Scaled data infrastructure to 3B+ rows daily through sharding and pre-aggregation, improving query performance 5x.
- Built company-wide data-flow observability for ETL pipelines, replacing manual incident discovery with automated monitoring and alerting.

Ozma — open source database platform San Francisco, US
Founder & CTO Jan 2018 - Oct 2021

- Delivered 10+ enterprise CRM, ERP, and OLAP systems for manufacturing and banking clients.

Diafentis — Microsoft Dynamics CRM and SAP ERP implementation consultancy Moscow, Russia
Founder & CTO Sep 2014 - Jan 2018
